Job Title: Construction Electrician	Location: Franklin, VA
-------------------------------------	------------------------

Position Overview:

Highground Services, Inc. is looking for a construction electrician to expand our team. This position will be based out of our Franklin, VA office and will report to the Manager of Construction. The successful candidate will be responsible for installing, maintaining, modifying, and repairing all types of electrical distribution systems and associated electrical equipment primarily in a heavy industrial or commercial environment. This candidate will be well organized, work well with others, possess a good work ethic, and present themselves in a professional manner. Below is a description of the open position.

[Construction Electrician](#)

Essential Job Functions:

- Have demonstrated knowledge of electrical systems, power distribution concepts and applications
- Understanding of the National Electrical Code and its implementation
- Utilize blueprints, wiring diagrams, electrical drawings, and manufacturer’s installation manuals to complete assigned tasks
- Must possess excellent mechanical skills
- Must be experienced installing conduit, wiring, panelboards, safety switches, transformers, pushbuttons, etc. in an industrial environment
- Experience installing and maintaining power and lighting systems
- Identify electrical problems with a variety of testing devices
- Install, repair, and replace wiring, equipment, or fixtures using hand tools and power tools
- Follow state and local building regulations based on the National Electrical Code
- Must possess a valid driver’s license

Preferred Experience: (5) years of experience in the electrical field.

Minimum Education: High School Diploma or equivalent certificate.

Preferred Certification/Experience: Journeyman/Master Electrical License

Desired Knowledge, Skills, and Abilities:

- Strong team skills
- Demonstrated knowledge of the NEC
- Technical understanding of electrical construction
- Knowledge of electrical design
- Strong oral and written communication skills
- Strong organizational skills and attention to detail and accuracy
- Demonstrated problem solving skills
- Ability to communicate with technical and non-technical individuals
- Ability to relate to customers and represent the company in a positive manner

Benefits:

- Medical, Dental, and Vision Insurance
- Paid Vacation and Holidays
- Short Term and Long Term Disability Insurance
- 401(K) Savings Plan

- Compensation based on qualifications and experience
